*Library staff can book a place for  
you.*

Appy Seniors is a new age-friendly free community project to help seniors (ages 65+) engage in the digital world using apps on their smartphones.

Bring your smartphone and get practical skills and solutions to help you feel confident in the digital world.

Find out how to use the Super Gold Card app, Google Maps, Zoom, WhatsApp, AirBnb, TradeMe, Stuff News and more, including how to order your groceries online!
