You can book this event on **Eventfinda** web site or find it on "facebook.com/WaikanaeLionsGardenTrail".

I have mentioned the Waikanae Lions Garden Trail which is on later this month.

I hope that everyone has enjoyed the Christmas/New Year break. My Husband & I have been visited by our youngest son, Paul from Melbourne along with his girlfriend. So we have been a bit busy out and about with some restrictions with my new knee. The knee is mending slowly and will take up to one year to swing fully back into action I'm told.
